

## CHAMINADE MUSIC CLUB OF YONKERS

**Founded in 1895**

<https://www.chaminademuiscyonkers.org>

### Annual Membership Application

This club promotes and encourages the love and appreciation of music through its annual concert series and related events.

Chaminade presents at least one scholarship each year to local high school juniors and seniors who are talented musicians.

Concerts are free or low cost and held throughout the year in Yonkers and nearby locations such as the Yonkers Grinton I. Will Library, The Hudson River Museum. The public is welcome. Membership fees and donations cover the cost of the concerts and fund Chaminade Club Scholarships. We suggest non-member concert attendees make donations to the club. Members are informed of our programs and other Chaminade events via e-mail or postal service. We can text or call you if desired.

Please mention Chaminade to your friends and encourage them to join so that the club can continue to promote a love of music. **We need younger members!**

We look forward to your joining or rejoining the Chaminade Music Club of Yonkers and welcome your support. Please send your completed membership application and your check for \$40, payable to **Chaminade Club of Yonkers** to our membership Chairperson Marcia Klein, 15 Round A Bend Road, Tarrytown NY, 10591
